Paul:

The first couple of follow-up items:

1. Here's the url to the Kampachi Vellela draft permit documents: <https://www.epa.gov/publicnotices/19f100001-public-notice-draft-national-pollution-discharge-elimination-system-permit>
2. Attached is the letter from EPA to the Corps re: the 404(f) exemption assessment for shellfish.

I have a couple of other things on my list too, but those will take me a little longer. Thanks so much to you and Jim for spending so much time with us.
